SAVE
£550+
PER YEAR

Who can apply?

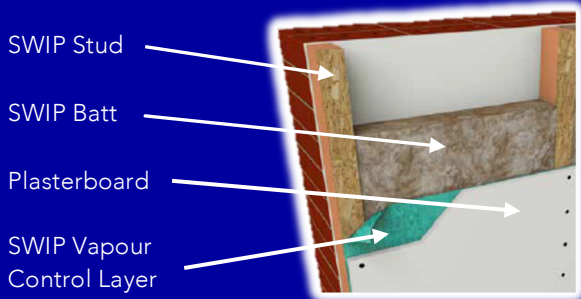

If you have **solid walls** that would benefit from internal wall insulation, we can help you through the Government's ECO4 scheme, which is available to both **homeowners** and **landlords**.

Three different qualifying routes via your **Local Authority**:

1. **NHS Referral** for health conditions related to limited mobility / cardiovascular / respiratory / immunosuppressed, **OR**
2. **Low Income** where household earns **less than £31,000** (before tax), **OR**
3. **Qualifying Benefits** where someone in the household is in receipt of means tested benefits, such as Pension Credit, Tax Credits, Universal Credit, ESA, JSA

If you qualify, you will get all of this fitted FREE OF CHARGE:

⇒ All exterior facing walls insulated internally:

⇒ Loft insulation and upgraded heating controls

Why is it FREE?

Under the Government's ECO4 Scheme, there is an obligation placed on energy companies to help lower energy bills and carbon emissions, where there is £1billion worth of funding allocated per year.

How to apply

To apply, or for more information contact your local energy advisor:
